### Expand BrochureHolder

The Expand BrochureHolder is a stylish and practical brochure stand that effectively displays your brochure material. The design is timeless and fits most environments. The Expand BrochureHolder is light, comes in a nylon bag, is easy to set up and ready to use in less than a minute.

An optional spotlight is available to illuminate your message. The Expand BrochureHolder is available in a four pocket and eight pocket versions and also a special two pocket version that can accommodate a graphic panel. Each pocket will hold marketing collateral up to 8 1/2" wide x 11" high.
