

Limited Warranty on Expand Products

This warranty is in lieu of all other warranties, expressed or implied.

Expand's warranty offers customers confidence that they are considering a quality product, backed by a quality organization. Expand International of America, Inc., a Connecticut corporation operating in the United States, extends a limited warranty to the structural components and accessories of its products. The warranty described below is limited and does not apply to any graphics, photo materials or other non-Expand items that might be added to an Expand product.

Expand warrants their products for the lifetime of each product against manufacturer's defects in materials and workmanship.

All accessories manufactured and produced by Expand including fabric panels, bags, lights, and shipping cases are subject to a warranty period of one year from the date of shipment [from Expand International of America, Inc.] against manufacturer's defect in materials and workmanship.

The conditions of the warranty are:

- (1) the Expand products shall have been subject to only normal use and service and shall not have been misused, neglected, altered, improperly set up or otherwise damaged; and
- (2) there shall be no evidence of tampering or deliberate misuse or destruction.

Defects to Expand products will be determined solely by Expand International of America, Inc. and not by any representative, distributor or dealer of, or for, the company. Upon determination of a defect, Expand's sole obligation will be to repair or replace the defective part.

Any claim against Expand for defects in materials or workmanship must be in writing. Expand must authorize the return of any alleged or defective part before it is returned. Returns will not be accepted without written consent and instructions from Expand. The party making the claim must prepay all shipping and transportation costs. Expand will not accept charges for parts purchased unless the conditions of the warranty have been satisfied.

No Expand representative, distributor or reseller is authorized to assume for Expand any other obligations or liabilities in connection with the product, or alter the terms of this warranty in any way.

Expand shall not be liable for damages, including special, incidental or consequential damages arising out of or in connection with the performance of this Expand product or its use by the owner.
