Expand XStand

Expand XStand is an outstanding marketing display that combines function with attractive design and cost-efficiency. It is the ideal option when you want to use a large number of displays to make maximum impact, for example in campaigns and product launches. Expand XStand can be assembled in less than a minute and weighs only 0.5 kg. Its lightness enables it to be distributed simply and at low cost to many

different locations, while the image is easy to replace for new campaigns. Expand XStand helps you get your message across wherever your target group may be, in several places at once.

Standard sizes: 24"x63", 26"x71" and 32"x71"
(60x160cm, 65x180 cm and 80x180 cm)

Measurements in inches are approximate.
